**Geotechnical Engineer 2**

**Why CDM Smith?**
CDM Smith is a global, full-service consulting, engineering, construction, and operations firm helping public and private clients improve the environment and infrastructure through award-winning projects. Since 1947, we have been providing innovative solutions developed through strong client relationships of mutual trust and respect and a commitment to quality and integrity. From a three-person firm in Cambridge to today's staff of more than 4,000 worldwide, CDM Smith is committed to being the employer of choice by providing superior opportunities for the best people in the industry. Join us!

**Job Description**
CDM Smith is looking to expand its Geotechnical team! We are looking for an energetic entry engineer who will work in applying geotechnical engineering techniques, procedures, and principles on a variety of civil engineering projects including transportation, water, wastewater, and hazardous waste projects.

**Minimum Qualifications**
- Master’s degree in Geotechnical Engineering required.
- Position requires registration as an Engineer-in-Training, or ability to obtain an EIT within 18 months of hire.
- Must have solid understanding of soil mechanics, shallow and deep foundations, slope stability, earth structures, earth pressures, instrumentation, construction monitoring, and soils laboratory testing.
- Knowledge of commonly used computer software (Word, Excel, AutoCAD) expected.
- Candidate must have excellent writing and communication skills.

**Preferred Qualifications**
- Experience as a Geotechnical Co-Op, Intern or Lab experience strongly preferred.
- 3.0 GPA and above strongly preferred.

**EEO Statement**
We attract the best people in the industry, supporting their efforts to learn and grow. We strive to create a challenging and progressive work environment. We provide career opportunities that span a variety of disciplines and geographic locations, with projects that our employees plan, design, build and operate—as diverse as the needs of our clients. CDM Smith is an Equal Opportunity/Affirmative Action employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability, or protected veteran status.
